The inventory of your estate will be made by appraisers. The buyer of the property will fix the price if for want of ready cash a sale is forced. Furthermore, if what seems so isn't so, and there was no need of insurance after all, a dead man's policy is worth a bonus over cost, and adds to the P. & L. account on the Profit side.

**FLEEING FROM THE FLOOD.**

High Water in Upper Mississippi Drives Hundreds From Home.

Lacrosse, Wis., Sept. 19.—Hundreds of families in the district adjacent to Lacrosse are fleeing with what valuables they can grasp to the hills which skirt the Mississippi to escape death in the floods which are sweeping the Mississippi valley. Upon advice of the United States weather bureau station here the entire police force was detailed to warn the residents of the surrounding towns that the worst flood in the history of the state was about to strike Lacrosse. Mounted couriers were dispatched in every direction, and it is believed that the warning was sent early enough to prevent loss of life.

Farms within twenty-five miles of Lacrosse are being deserted, and in many instances the stock has been drowned before it could be driven away. Miles upon miles of farming land is inundated, and crops and all property are being flooded.

As yet no loss of life has been reported. Roads and bridges north of here have been swept away, and it is impossible to drive from one county to another.

The flood has reached Lacrosse, and in the lower side fifty families have been forced to move out of their homes. The river has overflowed the Chicago, Milwaukee and St. Paul tracks on the levee, and goods are being moved out of the lower floors of a long row of wholesale houses, which it is expected the water will soon enter. The river is still rising half an inch per hour, and the stage is 12.5, a half foot above the danger point. Pettibone park, the handsome new \$150,000 pleasure ground, is entirely submerged.

**Bank Increases Interest Rate.**

Pittsburg, Sept. 19.—Considerable interest was created among Pittsburg bankers by the announcement that the Second National bank of Connelleville, Pa., one of the strongest institutions of the coke region, had decided to hereafter pay 3 per cent interest on savings accounts. The purpose of the officials is to induce those who have been hoarding wealth at home to place the money in banks. Unusual demand for money inspired the launching of the new plan.

**Bank Wrecker Goes to Prison.**

Newburg, N. Y., Sept. 19.—Joseph W. Cummin, aged twenty-nine, who wrecked the Cornwall-on-Hudson State bank by thefts of \$50,000, pleaded guilty before County Judge Beattie to one of five indictments for grand larceny. He was sentenced to the Elmira reformatory for an indefinite period.
